Yes. I also asked Janelle to attend but have not heard back yet.

Having cell phone problem, hopefully it will get corrected soon.

Can we have a phone call today around 2 PM? Will you have computer access so we can adobe connect and view the bid together? If so, here is the link:

Topics to discuss:

- Intermodal Bid
- Cost estimate: 120 hours is about 12 days of work. From August 1-August 26 is about 220 hours from what I calculate (10 hours per day, 22 days). Can I get an estimate for that time period as well as through September 30th (Approximately 200 hours)? Daily burn rate?
- Personnel and upcoming tasks.
- Funding
